Circles and Stars

This is a multiplication activity. You will need one dice and a printed copies of slide 4.

The 1st roll is the number of circles you draw.

The 2nd roll is the number of stars you draw in each circle.

Be sure to create a multiplication sentence and info about the number of groups.
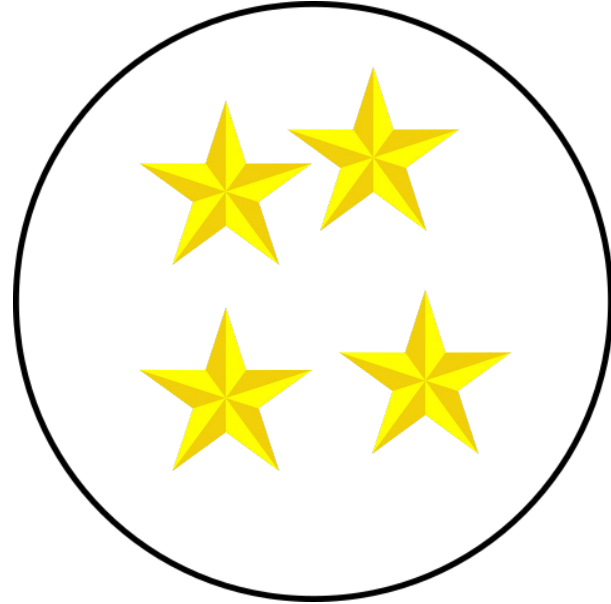

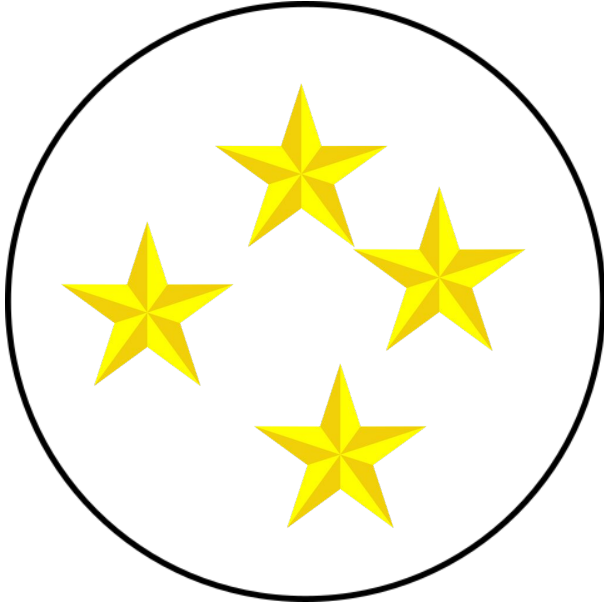

1st roll- I rolled a 2.

2nd roll- I rolled a 4.

$2 \times 4 = 8$

2 groups of 4 = 8

First Roll		Second Roll	

Draw your model below

_____ x _____ = _____

_____ groups of _____ = _____
